Otway Health Reception: (03) 5237 8500 or email info@otwayhealth.org.au

Otway Health resident, Beth with the thank you letter from Buckingham palace.

Residents Receive Thank You from Buckingham Palace

The residents of Otway Health were delighted to receive a thank you message from Buckingham Palace after they wrote to Prince Harry and Meghan Markle to congratulate them on their recent engagement. "It's a lovely photo of them", resident Beth said as she held up the correspondence - a card featuring a photo of the happy couple and a sincere thank you message on the reverse side. The residents are now looking forward to celebrating the upcoming wedding in May this year.

Geelong Cats Join our Residents for a BBQ!

There was footy fever in Laura Pengilley Wing last week when Rhys Stanley, Lachlan Fogarty and George Horlin-Smith from the Geelong Cats joined our residents for a delicious barbecue lunch. Everyone had a great time chatting to the footballers and getting the low down on their strategy for the 2018 season. We wish to sincerely thank the boys for their time and wish them all the best. Go Cats!

X-Ray Services Available at Otway Health

Otway Health provides x-ray services at the Urgent Care Unit. It is used for urgent x-rays, primarily the arms and legs. X-rays are performed by two qualified staff members, as well as visiting medical officers, all of which have undergone accredited courses and are licenced by the department of health. Our equipment is not always able to identify small breaks and fractures, in these cases it is sometimes necessary to be referred to a larger health service for further investigation. To learn more, visit our website.
