A Message from our CEO

There is so much action at GORH this month, with increased activities at Marrar Woorn Neighbourhood House, clinical project being initiated reviewing our urgent care presentations and some work around the provision of some maternity services closer to home via Virtual Care/ telehealth.

The building works to expand the Apollo Bay Medical Centre (ABMC), adding a reception and waiting space and further consulting rooms and works in the Community space is out to tender with works expected to start 1 July 2023. This is very exciting for the medical centre and community teams and will also provide the ability to provide increased services with more consulting rooms.

COVID-19 continues to challenge us and the Influenza season has well and truly started. The ABMC are offering appointments for both COVID boosters and the annual Influenza vaccination, please consider both these important measures to reduce the chance of severe illness this winter.

Great to see so many of GORH staff compete and volunteer for the Great Ocean Road Running Festival, consider increasing your physical fitness and enter in an event for next year- you have a year to train!

Thanks again for your support,

Sandy

Apollo Bay Medical Centre

We will be running a number of COVID and Flu vaccination clinics throughout June. Please contact our reception staff for dates and available appointments on 5237 8595.

As we spend more time indoors during winter, more people are likely to catch the flu or COVID. Getting vaccinated is your best form of protection.

Knowing if your symptoms are from COVID, or another virus, can help you take the steps to keep our community safe.

For more information, visit: <https://go.vic.gov.au/45mE5dn>

Social Support Outings

Colac Shopping Bus – Monday 26th of June, picks ups commencing 10.30am. To RSVP please contact Charlotte on 0439 712 844.

Information can be found on our website at www.greatoceanroadhealth.com.au/social-support-and-exercise-groups/

Looking for Gardeners

Do you love gardening and looking to get involved in a rewarding role? We are looking for volunteers to join our team.

Our beautiful gardens are maintained by our wonderful volunteers each Wednesday between 9.30am -11.30am weekly. These gardens not only look beautiful, they act as a therapy garden for residents and acute patients making Great Ocean Road Health feel like a home and not a facility.

For more information, please contact our Volunteer Coordinator Meloney Howell on 5237 8500.
